These requirements are not limited to businesses that withhold New Jersey payroll taxes. If you are an out-of-State employer, you must ensure that you provide any required 1095 document for each New Jersey resident you employ. NJ State anticipates that the carrier will file on behalf of small employer plans, although not all carriers do so. Please confirm with your carrier whether it will file before the deadline. PLAN YEAR: JULY 1, 2022

DEADLINE	TOPIC / DOCUMENT	EXPLANATION	DETAILS
7/1/2022	PCORI Fee covered life calculations	The Patient-Centered Outcomes Research Institute (PCORI) fee requires employers with self-insured group health plans, including Health Reimbursement Arrangements (HRAs), to pay an annual fee to fund medical research. The PCORI fee has been extended for 10 years, meaning that plan sponsors of self-insured plans will have to continue to pay this fee until 2029 or 2030, depending on the plan year. The amount due per life covered under a policy will continue to be adjusted annually. Employers sponsoring an applicable self-insured plan multiply the fee by the average number of lives covered under the plan.	On or near the deadline, begin to calculate the number of covered lives in preparation of Form 720 and fee transmittal.
7/31/2022	PCORI Fee Filing - HRA	The PCORI fee is due by July 31 of the year following the calendar year in which the plan/policy year ends. This year July 31 falls on a Sunday, so the due date is 8/1.	The fee must be reported and paid using IRS Form 720, Quarterly Federal Excise Tax Return.
8/31/2022	Notice to CMS of Creditable Coverage status of prescription drug plan	Entities that provide prescription drug coverage to Medicare Part D eligible individuals must disclose to CMS whether the coverage is "creditable prescription drug coverage". This disclosure is required whether the entity's coverage is primary or secondary to Medicare. Status must be disclosed using the online form.	Disclosure to CMS Form *
8/31/2022	Summary of Material Modifications	Describes material modifications to a plan and changes in the information required to be in the SPD. Distribution of updated SPD satisfies this requirement.	If plan changes are a material reduction in coverage, SMM must be distributed within 60 days of the start of the plan year; otherwise distribution is not required until 210 days after the end of the plan year.
10/14/2022	Notice of Creditable or Noncreditable Prescription Drug coverage	Notice to Medicare-eligible individuals identifying whether the plan's prescription drug coverage is creditable coverage, meaning the coverage is expected to pay, on average, as much as the standard Medicare prescription drug coverage. The notice also explains the penalties (increased cost for coverage and delayed effective date) applied to certain individuals who delay Part D enrollment if they have a gap in creditable coverage of 63 days or more.	Distribute 2022 notice to employees and dependents who are eligible for Medicare, unless this notice has already been distributed.
